Mr. Daniel E. Straus
President and CEO
CareOne, LLC
173 Bridge Plaza North
Fort Lee, New Jersey 07024

Dear Mr. Straus:

I want to extend my utmost appreciation for the assistance that you and CareOne have given to your employees who were affected by Hurricane Sandy.

I understand that more than one million dollars have been raised through the CareOne Disaster Relief Fund to benefit individuals who suffered great losses as a result of the storm. I commend you and the employees of your company for your amazing work in raising funds for others during their time of need. I am confident that the money raised will be deeply appreciated by those receiving financial assistance. It is heartening to know that the same compassion CareOne has for its patients is extended to its employees as well.

Your efforts epitomize the meaning of responsible and effective leadership. As New Jersey rebuilds after the effects of Hurricane Sandy, the fundraising initiative that you spearheaded should serve as a model to other business leaders throughout the state. Thanks to your company's generosity, we are restoring normalcy to the lives of our residents.

Sincerely,
